 www.facebook.com/RibbleValleyJuniors

Affiliated to British Cycling, Ribble Valley Juniors is not a traditional cycling club. It exists to encourage young people and their parents to enjoy cycling, to give them opportunities to get out together and to develop their skills in a safe environment. We organize weekly fun and sociable Saturday morning family Mountain Bike rides for parents and children of 5-18 years in the local area.

Rides are accompanied by British Cycling coaches and qualified first aiders, along with parents and helpers. Support, coaching, advice and encouragement are available to all and at every level to develop cycling skills, confidence and road safety.

Join us on a Saturday morning (9:45 am) at Walton le Dale Community Primary School, Severn Drive, Walton le Dale, PR5 4TD. You will need to have a roadworthy bike, be suitably clothed for the weather and wear an approved cycling helmet.

Why not ask your parent or guardian to bring their bike as well? If you are eight or under you must be accompanied on the ride by a responsible adult.

For those who want more skills coaching from novice to a highly competitive level we use Preston Arena every Tuesday at 6pm from May to September.
