5 Consent for participating in coaching activities in a traffic-free environment

Parental/guardian consent

I, being the parent/guardian of the child identified below, have read the information on this form and in the following notes and give consent for my child to take part in the coaching sessions conducted in a traffic-free environment. I understand and agree that my son/daughter/child in my care, participates in coaching sessions under the instruction of British Cycling coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with my son/daughter/child in my care. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of a British Cycling coach.

Notes

- You are giving consent for the child named below to participate in coaching sessions conducted in a traffic-free environment (e.g. not on the public highway). There may be a requirement for vehicles to be present on the circuit and sometimes we do have unauthorised motorised scooters, ebikes, escooters etc. that we cannot control, when necessary sessions may be suspended or adapted for safety reasons.
- It is part of the British Cycling Code of Conduct to ensure that reasonable steps are taken to establish a safe environment where young riders can enjoy developing their cycling skills. The parent(s)/guardian(s) is welcome to stay and watch the session, but this is not compulsory.
- Young riders are expected to remain in the session from beginning to end, unless they have to leave early. If the rider has to leave early or is being collected by someone other than the parent/guardian, the parent/guardian must advise the coach of the details of the arrangement, including who will be collecting the rider.
- Any young riders who persistently misbehave or put others in danger will be asked to leave the sessions and will not be allowed to attend in future.
- It is the parent's/guardian's responsibility to ensure that his/her child's bike is in a safe condition to ride. All riders must wear a cycling helmet at all times during the coaching sessions.
- The club need to video record the time-trial and other races to determine times and places. By signing you agree for the club to hold those files only for the time necessary to determine timings and places, a maximum of 2 weeks after the coaching session.
- Please note while the venue is on private land there is general access and the club cannot control photography by users of the site.

Please ensure you make a note of any medical conditions your child has/you feel the coach should know about in Section 3 of this form. If you have any concerns about your child participating in any form of physical activity, please consult your GP before giving permission for your child to take part in the coaching sessions.
